

REPORT ERASMUS+ MOBILITY BRAGA, PORTUGAL

Arrival to Lisbon

In Friday on 6th we arrived in Lisbon around midnight, where we took a taxi to take us in the motel. When we arrived in the motel we got a key card on reception for our rooms. We stayed in the motel for two days. When we woke up next day we had breakfast and after that we took metro so we could go look the old town Lisboa. Then we went to the train station to buy train tickets for back home. After that we took a long walk in the city. We saw many churches and interesting houses with decorations. After a long walk we've had lunch and went shopping. Next day we went to train station with taxi. We bought train tickets and went to oceanarium with a train. We were driving for one hour. When we came there we had to buy ticket for viewing the oceanarium. We saw a lot of different fishes and animals. Next day we went on the train which we drove for four hours then our coordinator took us to apartment where we were staying in it for the rest of our mobility.

First week in Braga

We came to Braga on the 9th of April. When our coordinator drove to our apartment we had a tour in it. We picked our rooms and unpacked our suitcases. Then he drove us to shop called Braga Paque where we shopped some food and personal needs. Next day we had a tour in an old part of the town. We did a little walking and a little shopping of postcards, then we went up the hill to look church called Bom Jesus, we took a lot of photos there. When we came back home we had movie night. Next morning we were driven to salons where we worked for almost a month. That week we learned Portuguese words.

Second week in Braga

It begins with saying goodbye to our professor Viktorije Mrzelj. Together we spent a nice social evening. Eventually we were getting used to new faces and language. Bosses in our salons were nice to us. We worked in two different salons, in one were Karin and Loti and in another one were Anastazija and Klara. In the end of the week we went shopping. Again. In Saturday we had a trip in Porto, where we walked and went watching the famous bridge named Dom Luis.

Third week in Braga

On Mondays had Klara and Anastazija closed salon and on Tuesdays had Loti and Karin, so we had a lot of free days. We worked from 10am to 6am. And in between we had one hour for lunch. On Wednesday we went in to school called Esprominiho, where we had another tour. After that we went in classrom, there were four students who were waiting for us to do some hairstyles on us. We were talking in English and we took some selfies. At the end of the week we had a trip to Vigo. In Spain. We were walking, drinking coffee and buying some souvenirs.

Fourth and also the last week in Braga

In our last week we known the city very good so we got friends whit bus driver, because he had driven us to our salon's for one month. On Monday and tuesday we went shopping in the mall. On Wednesday we went to Esprominho school where we did hairstyle's to four students and then we were learning them slovene language and after that we had lunch them. We tried their famous food called francias, it was very good. Then we went back to our apartment and had a nice social evening. Next day it was our last day in our salons, that day we were saying goodbye to our bosses. On Friday we had a day off, so we spent for packing our suitcases and cleaning our apartment. Next day at around 5am taxi came and took us to the train station where we went on the train and drove to Lisboa. We were driving for four hours but we didn't mind because we slept. Then we went to metro where it drove to airport. When we found the checking point we printed our tickets for the aeroplane. We were flying from Lisboa to Viena. And then in Viena we were waiting for our plane to Brnik. When we landed in Slovenia we saw that our families who were waiting for us.

Experience's and impact's

We learned so much about new technique cutting hair, drying hair, washing and colouring hair. We got self-confidence about talking in english and just be in different country, culture and language. We have got new friends and we are still talking on social media in english language. All four of us are happy for this experience because we've had a great time there and we were thinking to go back, because miss the country and our friends.
